# Jamel the Magician: Schools – Festivals – Parties – and more!

## School Magic

Jamel began performing magic in schools over 25 years ago.

Bringing shows that are not only entertaining, but educational, he has performed his school magic in 7 states.

Schools have utilized his show as a fund-raiser, character building assembly and general entertainment.

“... We thoroughly enjoyed the magic show you performed for us. Teachers, as well as students, were astounded by your magic tricks. The program presented used many of the children as "helpers" which created much excitement among the students...”

Sharon Roland  
Elementary Principal, Hatfield Public Schools

### School Show Themes

- ◆ Choice, Chances & Challenges (Drug Prevention)
- ◆ Be Aware and Care (Bully Prevention)
- ◆ Be A Super Kid (Self-Esteem)
- ◆ General Magic (Fund-raising program)

## Library Magic

“Your talents and ease with children demonstrate traits of a very special person. We always keep special thoughts for persons of your caliber. Thank you for your “magical” gift. We hope to see you again at future events.”

Thomas Eubanks, Music Therapist  
Jenkins Memorial Children’s Center

Jamel performs regularly for libraries, providing shows that promote reading.

From the adventures of Lewis & Clark to the adventures of performing magic, children use their imagination while learning!

## Festivals

Jamel becomes "Checkers the Clown" for community festivals. He has traveled to numerous states, spending weekends performing magic shows and providing balloon art for children.

Adults and children alike are entertained, as Jamel performs stage magic and mingles with the crowd between shows.

## Parties and more!

In addition to schools, libraries and festivals, Jamel has performed at private parties, malls, restaurants, civic club events, day cares and churches.

“Checkers the Clown has been performing at our festival for eight years. Every year he has new and exciting shows for the children and spends time entertaining between shows with his balloon art. He is a great addition to our festival!”

Mary Margaret Satterfield  
Director - Tourism/Marketing, Conway Chamber of Commerce
